Easter Activities

This year Henderson Trust is providing a scaled back Easter programme so we can save our budget to bring you a full Summer programme.

We are organising a couple of local activities for you to attend and in this leaflet you will also find details of activities that are being provided by other local groups.

10-16 activities are funded separately so will be as normal.

What to Do

Fill in your booking forms as normal for our free cinema days. There is a choice of 2 dates at different venues and 2 different showings per day. You can book more than one day / showing but if we get a lot of demand we might need to put people on reserve lists so everyone who wants to can attend.

Due to our licence for showing films we aren't allowed to advertise the titles we are going to show, but there are clues on the poster on the back page!

Seeing as they are classic 80's films we are also going to be giving prizes for the best 80's outfits, so dig out those shoulder pads and neon legwarmers!

Anyone under 18 attending Family Activities must be accompanied by an adult.

When you have filled in the booking forms return them to us before the deadline. Spaces are limited and we aim to accommodate as many people as we can, so get the forms in as soon as possible.

The deadline for bookings is

Friday 20th March 2020

We will send out confirmation of your bookings soon after the booking deadline.

Please return your forms to
