All events will be subject to government guidelines regarding COVID-19. But other measures may be in place for your safety.

There are **limited spaces each day, so make sure to book your places in advance**. If you'd like a space on any of our activities, please fill in the booking form and consent form and post them to:

COVID-19

If anyone in your booking party has tested positive for COVID-19 or has any of the following symptoms you will not be permitted to attend any of the day trips or activities.

- **A high temperature:** this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **A new, continuous cough:** this means coughing a lot for more than an hour, or three or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **A loss or change to your sense of smell or taste:** this means you have noticed you cannot smell or taste anything, or things smell or taste different to normal.

If you are attending any summer event, please make sure that you have:

- Been symptom free for ten days
- Had at least ten days pass since your last positive COVID-19 test result

To ensure the safety of everyone attending day trips, we require that all attendees wear a mask when travelling on minibuses at all times unless they are exempt.

Consent

Due to Data Protection regulations (GDPR) you need to give consent for us to store your information. You will need to complete a consent form with the details of the people taking part in the activities and return it with your booking form. Please make sure you tick the boxes giving us permission to store your data. We only store the data for one year and use it to mail out your programmes, nothing else. More details and terms and conditions for the trips are on the consent form.

Code of Conduct

All young people, families, staff and volunteers must act and treat everyone in the way that they would like to be treated themselves. Inappropriate behaviour will not be tolerated and may lead to an individual being refused attendance on further activities.
