

# Opt In

An easy-going social and I.T. group for the over 60s at Cadge Road Community Centre

Starting soon at Cadge Road Community Centre will be a free, friendly and helpful computer and social club for the over-60s.

This is for you if you want to learn the basics of using a computer so you can keep in touch with family and friends, send emails, do your shopping, pay bills and lots more. And if you like tea and cake and a good old natter, so much the better!

Whether you want to use a computer, a tablet or even your phone, come along to Cadge Road Community Centre and sign up for the free weekly sessions. You can just come along for the social sessions if you prefer.

Many thanks to our funders at the Norfolk Community Foundation.
